PA Health & Wellness is dedicated to continuous improvement while maintaining simplicity in our processes. Recently, we have created a Prior Authorization Supplemental page to be utilized when an authorization request involves more than four procedure codes. You will find general information about this form below, and the form has been attached for your review.

What is a PA Supplemental Page? An optional page meant to be used in conjunction with the plan's Prior Authorization Request form when a request exceeds more than four (4) Procedure Codes. This page should never be submitted alone.

When to use the Supplemental Page? When requesting more than four (4) Procedure Codes.

Are you required to include the PA Supplemental Page when submitting all requests? No, it is an optional page. If your request doesn't exceed four (4) procedure codes this page is not necessary or required.

Where can I find a PA Supplemental Page? The supplemental page is located on the plan site under Provider Resources https://www.pahealthwellness.com/providers/resources/forms-resources.html.

Thank you for your ongoing partnership. We look forward to collaborating to serve our Participants in Pennsylvania together.

Best regards, PA Health & Wellness
